

MEMORIAL APPLICATION ROSE

The Rose Bushes at the Crematorium are divided into 4 areas, A bed, B bed, E bed and G bed. A, B and G beds include a random mixture of varieties and colours, whereas E bed has regimented coloured rings in red, yellow and white.

Roses are available for adoption periods of 5 or 10 years.
A Perspex plaque comes with the adoption on which you may choose the wording up to 120 characters.

During the adoption period our dedicated Gardeners will care for the rose and if you have a particular type of rose that you would like to adopt, please write this on the application form and we will do our upmost to source it for you.

Terms & Conditions

We ask that all visitors help us to keep the crematorium grounds tidy and attractive by placing floral tributes in the receptacles provided, laying on the grass (preferably unwrapped) any floral tributes that cannot be displayed in the receptacles and not leaving any unauthorised tributes. If such items are found they will be removed from the area and kept for up to 3 months for you to collect if you wish. We will need to move flowers from the grassed areas when cutting the grass and we cannot guarantee that they will be put back in the same place. Once a memorial is provided, the responsibility for any maintenance is reserved exclusively to the Chesterfield Crematorium. In the event of a memorial not being renewed after the adoption period, the plaque will be removed from the memorial and kept for up to 3 months for you to collect if you wish.
