RESPONSIBLE TO:	Strategic Health, Safety and Risk Manage	er
RESPONSIBLE FOR:	n/a	
MAIN PURPOSE OF POST:	 This post will be responsible for developing, implementing, and managing comprehensive health, safety, and risk management programmes. The post holder will be responsible for ensuring compliance with legislation, identifying, and mitigating risks, and promoting a culture of safety within the organisation. The postholder will provide expert advice and guidance in relation to Health and Safety, risk management and emergency planning functions. The postholder will deputise for the Emergency Planning Liaison Officer, supporting business continuity and risk management activities 	

DUTIES AND RESPONSIBILITIES:

Duties and responsibilities must be undertaken to comply with Council policies/procedures.

1.	Provide expert advice, guidance and instruction to managers and employees around their compliance with Corporate Health, Safety and Risk policies and procedures, driving continuous improvement across the organisation.	
2.	Deputise for the Strategic Health, Safety and Risk Manager (SHSRM) in their absence.	
3.	Undertake reviews of policy and corporate guidance.	
4.	Use effective, engaging, and collaborative approaches when working with key stakeholders including service managers, HR and trade union representatives, to create a positive Health Safety and Risk culture across the Council.	
5.	Collate, process, analyse and review all reported accidents and incidents across directorates, providing investigation advice and support where required and identifying the corporate improvements and actions which are required to reduce or prevent reoccurrence. Complete RIDDOR reporting and support the defence of any liability or injury claims.	

6.	Prepare reports, service data sets and other health, safety, risk and emergency planning statistical returns.	
7.	Develop, manage and implement a range of HSR initiatives and specific projects within agreed timescales and budgets. Develop and deliver Health, Safety and Risk promotional campaigns and key messaging.	
8.	Undertake a system administrator role for the Health and Safety system and work in partnership with HR colleagues to ensure data quality across the HR and H&S systems.	
9.	Work independently to organise and prioritise workloads ensuring that key performance indicators are achieved and a high quality professional HSR service is delivered.	
10.	Advise on the development of business cases and projects plans, including providing Construction Design Management (CDM) Duty holder advice where required.	
11.	Lead the development and delivery of the HSR learning and development training programmes including delivery of bespoke sessions.	
12.	Produce high-quality reports, briefings, specialist advice, technical support and presentations.	
13.	Develop and deliver an annual programme of proactive monitoring within the Council, including the completion of audits, inspections, safety tours, safety sampling, surveys and completing associated reports.	
14.	Act as Deputy Emergency Planning Liaison Officer, supporting the fulfilment of the contractual arrangements between the Council and external emergency planning providers. Assist with co-ordination of emergency planning preparedness and response.	
15.	Provide support on business continuity and risk management arrangements within allocated business areas.	
16.	Ensure the Council's policies and procedures meet the latest Health & Safety legislation, guidance and professional codes of practice and that national and local policy and best practice is used to inform improvements to the way we work.	
17.	Attend training to maintain Continuous Professional Development (CPD), skills and knowledge appropriate for this role.	
18.	Complete as directed all other reasonable duties commensurate to the scale and seniority of the post.	
19	Exercise authority in order to suspend or stop any Council activities which are being performed in breach of Health and Safety at Work etc. Act 1974 and other H&S legislation, preferably in conjunction with appropriate service directors or service managers.

For leaders, this is about creating and encouraging a culture of innovation and allowing people to consider and take informed decisions. Doing this well means continuously seeking out ways to improve policy implementation and build a leaner, more flexible and responsive council. It also means making use of alternative delivery models including digital and partnership approaches wherever possible. 	
Making Effective Decisions Level: 2	Effectiveness in this area is about using sound judgement, evidence and knowledge to arrive at accurate, expert and professional decisions and advice. For all staff it's being careful and thoughtful about the use and protection of council and public information to ensure it is handled securely and with care. For leaders it's about reaching evidence based strategies, evaluating options, impacts, risks and solutions and creating a security culture around the handling information. They will aim to maximise return while minimising risk and balancing a range of considerations to provide sustainable outcomes.	Interview
Leading & Communicating Level: 2	At all levels, effectiveness in this area is about showing our pride and passion for public service, communicating purpose and direction with clarity, integrity, and enthusiasm.
