Class Descriptions

Gymnastics

Our children's courses for aged 5 to 13 years old. Children will learn skills on the floor, beam, vault and other apparatus. Our fully-qualified British Gymnastics coaches will guide your child through each stage, completing the development of core skills.

Academy

Promising young gymnasts may be invited to join our gymnastics academy and enter British Gymnastics competitions. They will be encouraged to take part in both team and individual competition events throughout the East Midlands. The academy does require full commitment from the child and support from parents as inclusion will require travelling to competitions at weekends.

We work to our own inhouse gymnastics awards scheme, designed by our own coaching team especially for those on our courses. These have been made to help give children the best start and to get them on the pathway to our competitive squad.

Adult Gymnastics: Wednesday 7pm

Adult gymnastics is open to all abilities for those aged over 14 years old, whether you have done this before and want to improve your skills or if you are looking for a new and alternative exercise to try for the first time.

No experience is needed to enjoy the classes, which can help to increase strength and posture as well as the added bonus of a full body workout.

Adult classes can be paid for week to week - no commitment is needed but please book ahead to secure your place.

Our trained coach will be available throughout both sessions for tips and advice.
