	<p>greatest value.</p> <p>For leaders, it is about scanning the political context and taking account of wider impacts to develop long term implementation strategies that maximise opportunities to add value to the customer and support economic, sustainable growth.</p>	
<b>Changing and Improving</b>	<p>People who are effective in this area take initiative, are innovative and seek out opportunities to create effective change. For all staff, it's about learning from what has worked as well as what has not, being open to change and improvement, and working in 'smarter', more focused ways.</p> <p>For leaders, this is about creating and encouraging a culture of innovation and allowing people to consider and take informed decisions. Doing this well means continuously seeking out ways to improve policy implementation and build a leaner, more flexible and responsive council. It also means making use of alternative delivery models including digital and partnership approaches wherever possible.</p>	Interview
