## PART 8 - MEMBERSHIP OF COUNCIL BODIES

## **Introduction**

The Local Government Act 2000 (Constitutions) (England) Direction 2000 requires the constitution to include:

...

(w) a register stating

- i. the name and address of every member of the local authority executive (Cabinet) for the time being and the ward or division (if any) which he represents; and
- ii. the name of every member of each committee of the local authority's executive (Cabinet) for the time being.

(n) a description of the roles of any committees or sub-committees appointed by the authority in accordance with section 101 of the Local Government Act 1972 (c.70) including the membership, terms of reference and functions of such committees or sub-committees...

Section 100G (1) and (4) of the Local Government Act 1972 states that a principal council shall maintain a register stating-

(1)

- (a) the name and address of every member of the council for the time being and the ward or division which he represents; and
- (b) the name and address of every member of each committee or sub-committee of the council for the time being.
- (4) The register maintained under subsection (1) above, ... shall be open to inspection by the public at the offices of the council.

This part of the Constitution contains the information required by the Direction mentioned above, in respect of the identity of the members of council bodies, and will be kept up to date as soon as practicable after any changes in membership or other details.

The roles and functions of these bodies are set out in other Parts of this Constitution.

## Names, Addresses and Wards of Councillors and Membership of Committees and Cabinet

This information is available on the Council's website at:

http://www.chesterfield.gov.uk/Your-Councillors-26.html

Some councillors are also appointed to serve on bodies outside the Council. Information about those appointments can be found here:

https://www.chesterfield.gov.uk/your-council/the-council/your-councillors/appointments-to-outside-bodies.aspx
