Discovery Ducklings

Suitable for babies from 3 months to 36 months.

Introduce your baby to the water at an early age assisted by an accompanying adult which provides reassurance for the child and helps children to gain confidence in the water.

Ducklings

For children age 3 years+ to school age

Help them gain water confidence and to begin the first steps of learning to swim, with an accompanying adult.

These lessons are aimed at children who are old enough to follow instructions and can move on their own. They give the child more independence and start to build their confidence in water. These lessons will prepare children for continuing their swimming journey on the Learn to Swim pathway.
