

Chesterfield Museums

Are you being served? Is a benchmarking survey designed for local authorities by the Local Government Association (LGA) and Ipsos MORI. Chesterfield Borough Council have used this method of community engagement every other year, with the first being in 2013. Councils taking part in *Are you being served?* follow guidance to create a questionnaire for residents to measure their satisfaction with services. There are a number of 'core questions' included which allow Councils to benchmark their performance on a national and regional basis.

Are you being served? is different to the Citizen's Panel method it replaces because of benchmarking and also that the questionnaire is sent to a random sample of residents, rather than a panel of residents that have agreed to take part.
