

# MEMORIAL APPLICATION POND MARKER

Pond Markers sit on the edge of our pond area surrounded by beautiful flowers.

They are available in both single and double options and can be adopted to safely hold your loved ones cremated remains for up to 10 years.

The plaque can be personalised with your choice of inscription (maximum of 140 characters) and you can also add an image of your choice to the plaque. The cost of plaques with images is not included in the cost of the adoption. Each image is individually priced dependant on design. If a design is added, the characters will be limited to 125.

**Terms & Conditions**

We ask that all visitors help us to keep the crematorium grounds tidy and attractive by placing floral tributes in the receptacles provided, laying on the grass (preferably unwrapped) any floral tributes that cannot be displayed in the receptacles and not leaving any unauthorised tributes. If such items are found they will be removed from the area and kept for up to 3 months for you to collect if you wish. We will need to move flowers from the grassed areas when cutting the grass and we cannot guarantee that they will be put back in the same place. Once a memorial is provided, the responsibility for any maintenance is reserved exclusively to the Chesterfield Crematorium. In the event of a memorial not being renewed after the adoption period, the plaque will be removed from the memorial and kept for up to 3 months for you to collect if you wish.
